Paperwork Reduction Act and OMB Burden Disclosure Statement

OMB Control Number: 1910-1400

OMB Control Number: 1910-1400

Expiration: September 30, 2024

These data are being collected for manufacturers to certify compliance with DOE's energy conservation, water conservation, or design standards. The data you supply will be used by the Department to monitor compliance with the energy conservation, water conservation, and design standards and testing requirements for the consumer products and commercial and industrial equipment mandated by the Energy Policy and Conservation Act, as amended, and DOE regulations.

Under this Office of Management and Budget control number, the public reporting burden for collection of information in the certification process is estimated to average 35 hours per year, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Of this total time, DOE estimates that completion of user registration/authorization will have an average public reporting burden of 0.25 hours. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Records Management Division, IM-23, Paperwork Reduction Project (1910-1400), U.S. Department of Energy, 1000 Independence Ave. SW, Washington, DC, 20585-1290; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project (1910-1400), Washington, DC 20503. Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB control number. Submission of this data is mandatory.
